

The first part of the book is
 written in a very old hand
 and is very difficult to read
 but it is very interesting
 and contains many valuable
 facts and information
 which are not to be found
 elsewhere. The second part
 is written in a more modern
 hand and is much easier to
 read. It contains a full
 description of the country
 and its inhabitants. The
 third part is a collection
 of poems and songs which
 were written by the
 natives of the country.
