

De la Cour de la Reine en forme de Lettre

Handwritten text in French, likely a royal decree or letter, written in a highly decorative cursive script. The text is dense and fills most of the page, with some lines appearing to be crossed out or heavily scribbled over. The ink is dark and the paper shows signs of age and wear.

On the 10th of the month of June 1862
I received from the Hon. Secy of War
a copy of the report of the
General of the Army of the Potomac
dated the 25th of May 1862
and containing a full and
complete account of the
operations of the Army of the
Potomac from the 31st of
May to the 1st of June 1862
and also a list of the
officers and men who were
killed and wounded in the
battle of Seven Days
and the list of the
officers and men who were
captured and the list of
the property captured.
